SHARING INFORMATION

ENHANCING PREPAREDNESS

STRENGTHENING HOMELAND SECURITY

LLIS.gov Resources for Hurricane Preparedness

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. LLIS.gov serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. LLIS.gov provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

LLIS.gov at a Glance

- Online since April 19, 2004
- Over 43,000 registered members
- Over 12,000 documents, including more than 1,500 state and local plans, 600 after-action reports, and 750 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

HURRICANE PREPAREDNESS CONTENT

The LLIS.gov Hurricane Preparedness page is a one-stop resource for information related to hurricane response, recovery, and mitigation planning. The documents in the page's resource library cover hurricane-related topics such as:

- Health and medical issues;
- Logistics;
- Modeling and GIS;
- Private sector and business;
- Public information sharing; and
- Recovery and Mitigation.

DOCUMENTS ON LLIS.GOV'S HURRICANE PREPAREDNESS PAGE

The LLIS.gov Hurricane Preparedness page offers a searchable directory of over 1,000 hurricane-related documents, including hurricane plans, templates, after-action reports, and public information guides.
