

LLIS.gov Resources for Intelligence and Information Sharing

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

LLIS.gov at a Glance

- Online since April 19, 2004
- Over 43,000 registered members
- Over 12,000 documents, including more than 1,500 state and local plans, 600 after-action reports, and 750 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

INTELLIGENCE AND INFORMATION SHARING

The *LLIS.gov* Intelligence and Information Sharing page is a one-stop resource for public safety professionals involved in the intelligence and information sharing process. The page provides *LLIS.gov* members with national policy and guidance documents, reports, related links, and the Intelligence and Information Sharing Resource Library, which includes documents on:

- Intelligence and Information Sharing Centers;
- Information Management Systems;
- Intelligence Analysis; and
- Information Sharing Programs and Partnerships.
