

LLIS.gov Resources for Intelligence and Information Sharing

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. *LLIS.gov* serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. *LLIS.gov* provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

[LLIS.gov at a Glance](#)

- Online since April 19, 2004
- Over 50,000 registered members
- Over 14,000 documents, including more than 1,700 state and local plans, 700 after-action reports, and 900 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

INTELLIGENCE AND INFORMATION SHARING

The *LLIS.gov* Intelligence and Information Sharing page is a one-stop resource for public safety professionals involved in the intelligence and information sharing process. The page provides *LLIS.gov* members with national policy and guidance documents, reports, related links, and the Intelligence and Information Sharing Resource Library, which includes documents on:

- Intelligence and information sharing centers;
- Information management systems;
- Intelligence analysis; and
- Information sharing programs and partnerships.

INTELLIGENCE AND INFORMATION SHARING DOCUMENTS ON LLIS.gov

The *LLIS.gov* Intelligence and Information Sharing page offers a searchable directory of related documents, including the latest open-source intelligence and information from recent incidents, bulletins, and examples of successful information sharing initiatives, including:

- 2009 Spring Season Security Awareness
- Baseline Capabilities for State and Major Urban Area Fusion Centers: A Supplement to the Fusion Center Guidelines
- Claims of Anthrax and Nuclear Reactor Attacks Not Credible
- Department of Homeland Security Information Sharing Strategy
