

LLIS.gov Resources for Tactical Interoperable Communications Plan Exercises

A TOOL FOR ENHANCING NATIONAL PREPAREDNESS

Lessons Learned Information Sharing (LLIS.gov) is a US Department of Homeland Security/Federal Emergency Management Agency program. LLIS.gov serves as the national, online network of lessons learned, best practices, and innovative ideas for the emergency response and homeland security communities. This information and collaboration resource helps emergency response providers and homeland security officials prevent, protect against, respond to, and recover from terrorist attacks, natural disasters, and other emergencies. LLIS.gov provides Federal, State, and local responders with a wealth of information and front-line expertise on effective planning, training, and operational practices across homeland security functional areas.

LLIS.gov at a Glance

- Online since April 19, 2004
- Over 43,000 registered members
- Over 12,000 documents, including more than 1,500 state and local plans, 600 after-action reports, and 750 original content documents
- Secure message boards and collaboration tools
- Targeted information on current homeland security topics

TACTICAL INTEROPERABLE COMMUNICATIONS PLAN (TICP) EXERCISES PAGE

The LLIS.gov Tactical Interoperable Communications Plan Exercises page is a one-stop resource for information related to exercise after-action reports, exercise design/planning, and innovative initiatives. Features of the page include:

- A list of TICP exercise objectives;
- Communications protocols lessons learned;
- Communications unit leader lessons learned;
- Incident Command/Unified Command lessons learned;
- Exercise design and planning;
- Innovative initiatives; and
- TICP exercise after-action reports.
